

2 December, 2015

I am proud to announce my candidacy for 1<sup>st</sup> Vice President of the KWVA

I entered the Marine Corps in 1948, after graduating from High School. After two years in Tsingtao, China, I returned home to await separation, and then on to college. This dream went away in June, 1950 when the Korean War broke out. I served in Korea from August to December 1950 in the Pusan Perimeter, Inchon Landing Seoul and the Chosin Reservoir. For the next thirty years, I served in various posts and stations around the world and retired honorably in 1982. In 1968-69 I served in Vietnam.

I am a Life Member of the KWVA and President of Northern Virginia Chapter #100. I previously served on the KWVA Board of Directors and one term as 1<sup>st</sup> Vice President. I have been appointed as the KWVA National Liaison and Revisit Korea Coordinator. I consider the next two years to be those of "Transitioning" from the Korean War Veterans to the Korea Defense Veterans and would like to remain a part of this process. We have a vast wealth of experience with those who have served in Korea in peace time. I feel very strongly that they will carry on our Legacy well into the future.

I hereby certify that I will attend all called meetings of the Board of Directors and that I understand that two (2) unexcused absences could be used for my removal from office. I also release my application form for verification by the Election Committee.
