2010 ELECTION VOTING

As the new Chairman of the Elections Committee, I repeat my predecessor's request that EVERY Member VOTE this year. The number of votes cast in 2009 for the four Directors was pathetic. Only 2,881 ballots were received (out of 17,000 plus), and only 2,817 were valid.

There were some with no labels, some voted for more candidates than authorized, some were no votes, and a few were not eligible (dues not up to date). This year's election is more important because you will be voting for a President, First Vice President, Second Vice President, and four Directors.

Please note that there are three candidates for President. **You must vote for only one.** There is only one candidate for First Vice President and none for Second Vice President, so that is a "no brainer."

There are five Directors listed, but you must **only vote for four.**

All applicants for office have been verified by the committee as qualified to fill the position they have applied for. **PLEASE VOTE!**

STANLEY J. GROGAN

I intend to run for the office of President of the Korean War Veterans Association for the term 2010-2012.

Across the years I have served in executive positions which would benefit needs of the association. As a former Director of the KWVA, I attended all required meetings and actively participated in addressing needs of the association. Further, I

have consistently attended monthly meetings of the Concord, CA Chapter 264 where I have served as chapter liaison for several years. I have actively participated in parades on veterans days and have attended several programs at the oldest veterans home in America at Yountsville, CA. Also I was appointed by President Reagan to the National Defense Executive Reserve in 1984. As a result of that appointment I have advised seminars at the National Defense University, Fort Lesley J. McNair, DC. In addition, I have served as Deputy Commander of the Historical Reserve of the California State Military Reserve for three years in the grade of Colonel.

In Korea I flew two combat tours in Korea at night in the F-94B and the RB-29A as a radar intercept officer and as radar navigator and was credited with four (4) battle stars.

Currently, I am President of SJG Enterprises, a consulting firm. Also, I am Vice Chairman of the International Institute of Security and safety Management (IISSM), and have given presentations in several parts of India and Mauritius off the coast of Africa, for the last fourteen (14) years.

To insure that the service of Korean War and Korea Service members is not a blank page in history, our membership must prioritize those actions intended to place a hard-won past before those who follow us leaving a legacy of achievement in the minds and hearts of future generations. Emphasis could be made in the following areas: awards of scholarships to families of Korean War and Korea Service veterans; development of a strong and viable auxiliary; advertising in local and regional papers for veteran participation; veterans gifts of photos and memorabilia to museums here and in Seoul; development of local speakers bureaus so that service clubs such as Kiwanis, Lions and others may hear of the success in Korea; and presentation of an annual award to the Senator or Congressman who furthers the needs of Korea veterans. I am sure that our membership has many more ideas.

My mailing address is 2585 Moraga Drive, Pinole CA 94564-1236, Telephone 510/758-7534; FAX 510/222-0158. email

SJGEHT@HOTMAIL.COM. No alternate phone.

I plan to attend all scheduled meetings of the Board of Directors and understand that two (2) unexcused absences could result in removal from office.

I am a Life Member with dues current for the term sought, (LR12160)

WILLIAM F. MAC SWAIN

I submit this resume according to the KWVA Bylaws for placing my name on the ballot as a candidate for National President of the Korean War Veterans Association, Inc. for the years 2010 - 2012.

I served as a Master Sergeant in the Weapons Platoon of Company "B", 179th Infantry Regiment of the 45th Division from 1950 - 1952. I received the Combat Infantryman's

Badge, Korean Presidential Citation and other Service Medals while in Korea serving in the Chorwon Valley Area in 1951 - 1952.

I am a Charter Member of the General Walton H. Walker Chapter #215 in the Dallas/Fort Worth, Texas area. I will have served as National President for a two year term, but I believe I still have much to offer and accomplish for the KWVA. I was a Director for six years and served on the Bylaws Committee as a committee member or chairman and was instrumental in writing and obtaining approval for a Standard Procedure Manual (SPM) to help all Officers and Directors with their tasks. I know the Bylaws and their intent and have worked with many veterans who have served as Directors and Committee Members.

I still participate in the "Tell America Program" in a Chapter and thus know just how important chapters are to the KWVA. In fact chapters are our true public relations groups in keeping their communities informed about the Korean War and how it was the first successful war against spreading communism. They also honor those who gave their all by raising funds and erecting Memorial Monuments in their communities.

I believe I have served in the capacity of President honorably and have represented our Association in front of the House of Representatives, Presidents of the United States and Korea as well as working with high ranking Koreans, Korean-Americans and have kept our name before the people of the United States. I have fulfilled most of the requirements placed on the Association with the awarding of our Charter. Many veterans and individuals have been guided to Veteran Service Officers that could help them. Because of our age and the financial investment that must be spent to train our own Members, we have not become accredited by the Veterans Administration at this time.

I understand the responsibilities of a President and recognize that the President must work with those individuals who are elected to positions on the Board of Directors or have been appointed with Board approval. The President must make decisions based on facts and with integrity. I ran for President, as an independent on no ticket, for my first term and will do so again, since I believe doing so could foster the belief that the President might be indebted to those individuals who have supported his candidacy. My only suggestion

to voters is to place a high value on what the candidate mayor has accomplished for the KWVA, Inc.

I have heard much criticism on what some administrations have done and I believe I have quieted down some e-mails and name calling by the way I have conducted my business. I know that our financial condition has improved, although we have been through a downturn during my term of office as a nation. I have reestablished our Association as an acceptable not-for profit and deductible organization and have managed to keep within our reduced 2009 budget with a positive balance. I also know what fiscal responsibility requires and will endeavor to make sure it continues. I recognize the task of President requires many hours of work, responsibilities, coordination and travel and I believe that has been accomplished.

I ask for your vote in this election so I may lead the KWVA forward for the next two years. Many plans for our Association are in work such as the revisit program to Korea, Financial stability for years to come, and even the call for congressional help in our restricted membership area.

I will attend every called meeting of the Board of Directors and understand that two (2) unexcused absences could be used for my removal from office. I am a Life Member (LR26546) thus my dues are current through the whole term of the office I am running for. My current address is 8452 Mary's Creek Dr, Fort Worth, TX 76116 and my telephone number is 817-244-0706. I have also attached a signed KWVA Official Application Form with my dates of service and other information and the signature on this resume and my Official Application Form releases both for verification by the Nominating Committee.

Respectfully submitted,
William F. Mac Swain

I have served as a post commander, post quartermaster, state commander and national commander of the Veterans of Foreign Wars. I am presently a member of the Veterans Service Commission of Erie County Ohio and served as president of the State Commission from June, 2008 to June, 2009.

I feel my experience would be of benefit to the KWVA.

My e-mail address JohnWasyluk@yahoo.com

Candidate for 1st Vice President**JAMES E. FERRIS**

I submit the following declaring my intent to run for the office of First Vice President. I will attend all called meetings knowing that if I miss two unexcused meetings I can be removed from office. My dues are up to date as I am a life member of the KWVA. A signed membership application form is attached which may be used for verification by the Elections Committee, along with a recent picture. My resume is as follows:

I am a Charter member of the National Organization as well as my home Chapter (Central New York #105) and a life member of both. I have served as a Board Member, Finance Committee, Bereavement Committee and Chapter Commander. I served eight (8) terms as President of the New York Department. I have served as a National Director, National Second Vice President, and currently serving as First Vice President. In addition I have served on the Resolutions Committee, the National Budget and Finance Committee and as such I Chaired the very successful fund raising committee, when the (M1 Rifle, Carbine and 45 Pistol) were offered. This fund raiser allowed us to place over \$80,000.00 into our National Treasury. I was recently Chairman of the 2007 Convention in RENO which from all reports was very successful. I am a proponent of enlisting new and younger people into our organization as long as they are qualified under our Bylaws. I support prudent financial planning and reporting of such to the membership.

I was employed for 35 years with American Telephone and Telegraph Corporation, where I held a managerial position. I retired in 1989 as Area Manager. During that time, I was involved in many facets of the organization, including the divestiture of the Bell System. I served on the Corporate Staff for several years and supervised the operation of my department throughout all of New York State and the New England States. I served with the United States Marine Corps from 1952 until 1955 and with the New York Guard for 17 years. I do not dwell on my military experience as I personally do not consider that relative to a Fraternal Veterans Organization.

I have been married to my wife Felice for 52 years. We have three daughters, two Sons in law and six Grandchildren. A family we are extremely proud of.

If elected, I will do my utmost to use my managerial skills and my vast experience in the National, State and Chapter organizations. I will ensure that all tasks presented to me will be dealt with in a fair, unbiased and competent manner. The desires of the membership will be the number one consideration behind any of my decisions. I shall be guided only by sound logic and intelligent advice.

With the above in mind I believe I am truly qualified to be re-elected to the office of First Vice President an office I have served in for two years. In those two years I have always placed

the good and welfare of the members and our organization first in all of my considerations.

Candidates for Director**JAMES A. (JIM) FOUNTAIN**

This letter is to announce my intention to run for my 2nd full term as Director of the KWVA. I was elected in 2006 for a three yr. term, at the completion of this term I was appointed to finish out the term of Gen Tom Edwards who had to resign due to ill health.

I served in Korea from Oct 1952 until Sept 1953, with the 2nd Infantry Division, 23rd Infantry Regiment, "K" Company as Platoon Sgt. I was awarded the Combat Infantrymans Badge and the standard medals such as, Korean Service Medal, UN Service Medal, and the National Defense Medal.

I have read, signed the KWVA Code of Conduct and will abide by such. Currently serving on the Resolutions Committee. I am a Life Member, so my dues are paid for any office. If elected I will attend all called meetings as I have in the past. I understand that 2 unexcused absences could result in my removal from office.

I retired in 1995, at which time I was President and C. O. of a contract trucking company.

My purpose as a Director is to keep the KWVA on the upward trend, since we have a National Charter to live up to. We have a very elite organization and need to promote our programs through getting more members involved in the actual running of organization. We need to get on the same level as the VFW, American Legion, and others. We can do this if everyone partners for a better and more understanding of the By-laws.

I release my application forms for verification by the Nominating Committee.

As a KWVA LIFE Member since 1989, I supported EVERY National President until it became apparent that they had failed or gone astray. Unfortunately a few individuals continue to try to re-write history, so it sounds like they did their job well. In several cases that was not and still are not the facts. My job is to work for the betterment of the KWVA. Our coordinated efforts have been working well.

We have been granted our well deserved Federal Charter. With our Federal Charter, we have additional responsibilities and requirements. The regulations will require the assistance of every Chapter to fulfill the requirements we now have, as a VSO. Chapters must submit all required information. Please VOTE.

TINE MARTIN, SR.

I am a candidate for the office of Director of the K.W.V.A. AGAIN, for the years 2010- 2013. As a Life Member my dues are prepaid. I promise to attend all called meetings and I understand that two unexcused absences from the same could result in my removal from office. Please release this application information to the Nominating Committee. I have also read and signed the Code of Conduct.

I retired from the U.S. Postal Service as a City Letter Carrier. I served with Hq. Battery, 865th AAA AW Bn, 1951-1952.

I served with 972nd Engineer Bn. US. Army Reserve.

I am presently the Commander of Central Indiana Chapter #259,

Indianapolis, IN.

I am presently serving as 1st Vice Commander, Department of Indiana, KWVA.

I am serving as a member of the National Ethics & Grievance Committee KWVA.

Organizations:

Past Commander, Life Member, Post #500, American Legion, Speedway, IN.

Life Member, Ft. Harrison Post #7119, VFW, Indianapolis, IN.

Volunteer, Richard Roudebush V.A. Hospital, Indianapolis, IN.

Indianapolis 500 Oldtimers Club. Worked as a track official at the Indianapolis 500 Mile Race for forty years.

Charter/Life member United States Auto Club.

Statement:

I would appreciate your vote and consideration as this is my last election bid, as the "old saying" goes, "I am not getting any younger" which applies to most of us.

I would be proud to serve with this group of directors that had "guts" to finally change the wording of our National By-Laws. It may not be popular with some, to have to join the National KWVA before belonging to a local chapter. Now the thousands will have to pay their national dues the same as the rest of us have always been doing. Should we have to pay our national dues so they can pay five or ten dollars to belong to a chapter that the Commander has let them get away with? I lost the 2008 election by 26 votes out of nearly 4,000, First Runner-up but no trophy, and I am proud of it. If you don't put everything into an organization, you get very little out of it. I've worked hard and I promise to continue to work to make the KWVA one of the best veterans organization in America. Thank you.

THOMAS W. STEVENS

Following is a resume of qualifications concerning Thomas W. Stevens, whose intent it is to run for a KWVA Board of Directors position.

Following graduation from Ozark, MO High School in 1951, I served in the U.S. Air Force, 1951-55. I flew 27 combat missions in the Korean War as a tail gunner on a B-29

Superfortress. I was based at Kadena AFB, Okinawa and assigned to the 307th Bomb Group/Wing (1946-1954), 371st Bomb Squadron. I currently serve as the newsletter editor for the 307th Bomb Group/Wing (1946-1954).

After being honorably discharged from the USAF, I attended Drury College, Springfield, MO., utilizing the GI Bill of Rights. I graduated in 1959, with an AB degree in Economics/Psychology.

I retired in 1991 (after 32 1/2 years) in management at Southwestern Bell Telephone Co., working primarily in the KC and St. Louis, MO areas. After retiring from SWBT, I worked part time 7 years for Enterprise Rent-a-car and one summer for the Overland Park, KS Police Dept as a bike path patrolman. For the past 11 years I have been actively involved in the Korea War Veterans Association I was a founding officer of CID # 181, Overland Park, KS and served as Sec./Treas. for 7 years. I'm currently 1st. V.P. I was one of the persons responsible for the planning, fund raising and construction of the Korean War Veterans Memorial in Overland Park, KS. I volunteer two days a week at St. Joseph Medical Center and serve as a Director of our Home Owner's Association Board. For three summers (2006, 07 & 08) I served as a Commissioner at the H. Roe Bartle Boy Scout Reservation, Osceola, MO. My wife, Barbara and I are the proud parents of 4 grown children and seven grandchildren. I would consider it an honor and a privilege to serve as a KWVA Board member. I feel that my experience would serve me well in carrying out that responsibility.

If elected I would attend all called meetings of the Board of Directors. I understand that two (2) unexcused absences could be used for my removal from office. My Life member status renders the question of dues status irrelevant.

Although not requested I should mention that Chapter #181 Local Chapter dues are current.

Thank you for your consideration.

... And Who Will Speak For Them?

**Who will speak for those that lay so silent?
For those who gave the very essence of
Their lives? The boys and men who once
Projected life and joy and promise. Now rest
Forever in the earth. Who will speak?**

**I will speak for them. I will tell the stories
Of their strength and purpose. I will make
The world aware of who they were and
What they did to earn their honored state;
That height of greatness we've never reached.**

**What they deserve is a voice the world
Can hear. A voice that says, "Don't forget me.
For what I have done I can never do again.
I gave my life for duty, honor, country.
My voice is gone, so you must speak for me."**
