

Thanks and Honor

Dear sir,

Hello, my name is John Park, and I live in Seoul, Republic of Korea. It's such a honor to give thanks to you via this letter. Over 60 years have past since the Korean War finally gave an end in 1973. And this gorgeous peace is maintained until now. I really want to give thanks and deep respect to you.

I can't imagine how it would be if there was no US soldiers (and UN soldiers) when the horrible war broke out in 1950. There would be no families enjoying the bright sunlight in the park with their kids, no students studying for what they dream of in the future, and no beautiful scenery to admire in Korea.

Many people calls the various developments which Korea have achieved as the 'Miracle of Han river'. It's very proud to us, but I think all this was possible because you had fought courageously in the battlefield.

I once again want to give a thanks to you. Koreans will never forget what you have done for our nation.

I hope you're well.
