

## Sweet Strawberry

Dear Korean War Veterans

Hello. My name is Sue Kim and I am 14 years old. I am writing this letter to you to say thank you for sacrificing for us in the Korean war. When I was in elementary school, I didn't know about the Korean war that much, so I first thought it was a war between North and South Korea. But behind the war, there were so many foreigners who, too were sacrificed. So, I really thank you for your efforts to help us in the war. Also, before the war we were total foreigners to you, but you helped us and saved us from the war. What you did for us would be remembered forever into the future. Several days ago, I saw a movie featuring the Korean war.

There were so many terrifying scenes, and I could understand your feelings in the battlefield. But you overcame all these events and sacrificed for us, so I am deeply touched.

Also, yesterday I saw some articles from your website. I was very sad that some of you had passed away. You also mentioned that you were afraid of your acts being forgotten. So, I promise you that I will try my best to make sure that we Koreans remember your heroic acts and how you all sacrificed for us. Thank you again for such heroic acts and I wish happiness rests within everything you do.

Sincerely, Sue Kim.
